STANDARD LIMITED WARANTY

RELM Wireless ("Warrantor") warrants to the Purchaser of new radio equipment of the Warrantor's manufacture that such equipment shall be free from defects in material and workmanship for a period of two years from the date of purchase of the equipment on the basic unit and one year on the antenna, battery and all other accessories.
Equipment and accessory items not manufactured by the Warrantor carry the standard warranty of the manufacturer thereof.
This warranty does not cover equipment which has been: (a) damaged or not maintained as reasonable or necessary, (b) modified in any way, including the removal of the serial tag, (c) improperly installed, (d) repaired by someone other than the Warrantor or an Authorized Warranty Repair Station or (e) used in a manner or purpose for which the equipment was not intended. This warranty shall not extend to incidental or consequential damages arising from the operation of the equipment or from any claimed breach of this warranty.
To obtain warranty repair, the customer must return the equipment properly packaged and freight prepaid to the Warrantor or any Authorized Warranty Repair Station. The equipment will be returned freight prepaid from the warrantor only.

The liability of the Warrantor is expressly limited to the repair or replacement of the equipment as described herein. Warrantor shall not be liable to the Purchaser and the Purchaser shall, upon his tender of the purchase price for the equipment, agree that the Warrantor shall not be liable, in any respect, for the equipment or damages caused thereby, except as prescribed herein, whether such liability is predicated upon negligence, tort, contract or other product liability theory.
