

SATERN of Palm Beach County

N4PBS

You are invited to join us for our monthly meeting

April 14th @ 7pm Featuring

Kevin Jackson, W4JKJ

Presenting

Winlink, also known as the Winlink 2000 Network, is a worldwide radio messaging system that mixes internet technology and appropriate amateur radio radio frequency (RF) technologies. The system provides radio interconnection services including: email with attachments, position reporting, graphic and text weather bulletins, emergency relief communications, and message relay.
