

All Are Welcome

THE NEXT MEETING WILL BE June 17th 3rd Monday of the month.
FROM 7:30pm to 9:00pm. At the Davie Womens Club 6551 Orange Dr. Davie,
We would like to ask that any one that has projects, they have built
either from scratch or kit, bring them for a show and tell. Doesn't
matter if it is a radio, amplifier, circuit tester anything electronic.

Included in our June Meeting will be a speaker from Davie on
Emergencies

in Davie including Hurricanes.

John Antipasis the Emergency Management Head of Davie will
advise us of

preparations made for the 2019 season.

CERT in Davie has also been invited.

This months presentation will be a discussion on the up coming
Field Day

Free Laurel radio license Testing will be 6pm to 7:30pm
we will have some new announcements.

Bring your questions about radios and antennas operations and
building.

We will have a Elmer there to answer questions .
