

All Are Welcome

THE NEXT MEETING WILL BE November 18th Monday of the month.
FROM 7:30pm to 9:00pm. At the Davie Womens Club 6551 Orange Dr.Davie,

We would like to ask that any one that has projects, they have built either from scratch or kit, bring them for a show and tell. Doesn't matter if it is a radio, amplifier, circuit tester anything electronic.

Included in our November meeting we will have discussion on up coming programs with the input from the members .
There will be a voting on updated and revised bylaws.

We are having a Christmas dinner at DeSalvos on the 3rd Monday of December at 7pm.

Free Laurel radio license Testing will be 6pm to 7:30pm
we will have some new announcements.
Bring your questions about radios and antennas operations and building.

We will have a Elmer there to answer questions .
